## Heathline Sponsor Local Gymnastics Club

Heathline have recently donated much needed Gymnastics Equipment to the Dynamic Gymnastics Foundation who are located next door. The equipment will be put to good use in helping the club to provide the safe and well-equipped environment in order that children have more opportunity to become active and develop a better, fitter lifestyle, with the benefits of reducing their chances of obesity, heart disease, early-onset diabetes and mental health issues.

## Staff Activity Day

To celebrate D Moody Haulage turning the big 70. Moody Directors took all the staff away for the day to Slaley Hall and All Out Adventures in Hexham.

The morning started off with bacon sandwiches then onto Slaley. We had a great morning working in teams and carrying out team building activities Sling a thing and Air Crash Investigation. It was then off for lunch and then the adventure activities began with Segway Assaults, Quad biking, Clay Pigeon Shooting, Archery and 4 x 4 off road driving. Then the day finished with sandwiches and cake! A fantastic day was had by all!!
