PALLEX

Dear Customers

As part of the improvements gained from the expansion of Pall-Ex Ireland, we will be moving the export clearance from our current provider to Ace Express, to **streamline** and **improve** the customs clearance service we provide to you.

Our current providers Direct Representation Form will **expire by September** so we urge you to complete a new form before the deadline as this will cause delays to your deliveries.

The switch is **easy** and consists of only **one step**, taking only a couple of minutes to complete.

Once completed, we would ask that you download a PDF copy and return the document to the International Support team via the email address:

connect@pallex.co.uk

We will then upload the form to Nexus ready for your **local depot** to use on your next

consignment, preventing any delays on the outbound export to Southern Ireland. The **Direct Representation Form** can be found on the link below or the QR code at the bottom of the page.

Thank you for your patience at this time, and we look forward to helping and hearing from you in the future.
